

VALLEY FORWARD ASSOCIATION

IN PARTNERSHIP WITH
SRP

PRESENTS THE

22ND ANNUAL
ENVIRONMENTAL EXCELLENCE
AWARDS

VALLEY FORWARD

Palm Valley Water Reclamation Facility

The Palm Valley Water Reclamation Facility (WRF) recycles wastewater to high quality, usable effluent to benefit both the West Valley community and the environment. Today, 99 percent of the influent wastewater entering the Palm Valley WRF is treated to Class A+ effluent quality. The effluent benefits the local community by providing an additional source of water, a rare and precious resource to all of Arizona.

The WRF utilizes an enhanced PERC ASP™ sequential batch reactor process that not only produces high quality recycled water, but it does this through a natural, biological process emitting no offsite odor; all within the smallest footprint in the industry. This innovative technology has made it possible to locate the facility essentially in the center of SunCor's Palm Valley master planned community, which is generally not possible with standard wastewater treatment plants. The PERC ASP™ wastewater treatment process the Palm Valley WRF utilizes is both technologically advanced and environmentally safe.

THE VALLEY FORWARD/SRP PARTNERSHIP

Valley Forward and our new partner in presenting the Environmental Excellence Awards – SRP – share a lengthy history of advocating for environmental sustainability.

Valley Forward has influenced quality of life decisions in the Valley of the Sun since 1969, and is now celebrating its 33rd year of bringing business and civic leaders together to improve the environment and quality of life in the Valley of the Sun. The organization has helped to ensure that decisions about how Valley residents will live tomorrow are made with foresight and imagination today.

SRP continues its centennial heritage of environmental leadership by offering a diversified portfolio of renewable energy technologies, forging powerful partnerships within the community, and providing outstanding environmental education resources to teachers and students throughout Arizona. As a charter member of Valley Forward, SRP has played a vital role in the growth and development of this public interest organization for more than 30 years.

Valley Forward is pleased partner with SRP in recognizing environmental excellence in our communities. For information about Valley Forward or to sponsor next year's Environmental Excellence Awards program, contact:
